Exceptional

Place

**Clelian Heights School for Exceptional Children** is a very special place. It opened its doors in 1961, when four sisters, the Apostles of the Sacred Heart of Jesus, welcomed four students to the 35 acre site. Today, 65+ students and 75+ adults are a part of the community at Clelian Heights.

**For over 64 years**

Clelian Heights has been building young lives. Our school and Clelian Center vocational services prepare children and adults with intellectual disabilities for the challenges of life. Our goal is to help each of our students lead productive, happy lives to the fullest extent of their ability.
